### REMARKS

Because the parentage of this application involves a number of applications and lines, attached hereto is a diagram illustrating such parentage. As shown, 08/948,135 is a continuation of 08/902,937. Application Number 08/902,937 in turn, is a continuation-in-part of three different patent applications, those being 08/740,031, 08/603,676 and 08/603,675. In addition, these later two applications are each a continuation-in-part of 08/543,563. It is believed that the data as shown in the request above accurately reflects such a parentage, and entry of the data in the format shown above is requested.

Respectfully submitted,

By
